

Declaration of Consent,

I, the undersigned _____, hereby declare that all documents provided during the «*Final Exam*» (on 16th of December 2020) for my assessment on the course «*21045-Software Modeling and Analysis (A2020)*» will be produced and written solely by me, without the help of others and without using any unpermitted sources of information (internet, books, etc.). I agree to store and keep unmodified all these documents until I am requested to send them to the university. I acknowledge that a violation of the aforementioned clauses is regarded as an act of fraud and can result in legal consequences.

I am aware that the above-mentioned assessment will be performed online using the «*Zoom*» service. Thus, I agree to have and use all means required for participating throughout the entire assessment in a video meeting which requires the use of a camera-enabled device (e.g. a laptop). Finally, I am also aware that a camera-enabled device (e.g. a smartphone) is required for capturing and sending my handwritten documents in a clear-to-read format using my student email address given below.
